Dear Members of the Adagio condominium board,

I have been friends with Josh Levine for the better part of three decades, worked with him for more than 10 of those years, and have even lived with him. He was even the best man at my wedding, and I am still happily married 20+ years later so he must have done something right. When I go away for long trips, he is the first person I call to care for my bearded lizard "Beardy" whom I love almost as much as I love my children.

In all cases I found him to be noble and trustworthy and can recommend him for tenancy or anything else without a moment's hesitation.

A handwritten signature in black ink that reads "Peter Stern". The signature is written in a cursive, flowing style. The first name "Peter" is written with a large, looped 'P' and a small 'e' above it. The last name "Stern" is written with a large, looped 'S' and a small 'n' at the end.
